

Acts 16:6-34

*In Good times and Bad: Preach the Gospel!*

**Main Idea: In good times and bad, God is always at work!**

*4 ways God is always at work in our lives:*

1. The **providence** of God (v. 6-13)
2. The **presence** of God (v. 14-15)
3. The **protection** of God (v. 16-28)
4. The **promise** of God (v. 25-34)

**Our response: In good times and bad, preach the gospel!**

**Reflection Questions:**

1. Looking back at your life, do you see God's guidance/protection that has led you thus far? Spend some time to give thanks to Him.
2. Salvation is ultimately the work of God. Yet, at the same time, God uses us to reach out to unbelievers. Are there individuals in our life God is prompting us to pray for, and to witness to?
3. How can we more boldly share the truth of the gospel in both good times and also in "bad" times?
